

Long Preston Parish Council Standing Orders

Approved by full council 28/02/2011

Standing orders for the organisation and transaction of Councils' business are decided by full Council. A committee or sub-committee may decide its own standing orders if its appointing body (which is the Council in the case of a committee or a committee in the case of a sub-committee) has not made standing orders which apply to them.

As explained in *How to use this publication (page 6)*, the model standing orders in **bold type** should not be ignored or substantively amended unless the legislation out of which they are born changes. It is recommended that a Council adopts the model standing orders in bold type in their current form because these reflect statutory requirements. If a Council wants to slightly alter the wording of the model standing orders in bold type, any such amendments must not have the effect of undermining, overriding or conflicting with statutory requirements.

Model standing orders, not highlighted in bold type, do not incorporate statutory requirements. They are aimed at (i) highlighting matters that merit regulation by standing orders and (ii) encouraging use of standing orders to regulate routine administrative arrangements. They may be adapted in their current form but are more likely to require adapting or supplementing to suit a Council's particular needs. Once again, a Council is reminded not to adopt standing orders which undermine, override or conflict with any requirements imposed by legislation.

- Some model standing orders indicate by use of '()' that information must be inserted before being adopted.
- Some model standing orders indicate by use of the term 'OR' that an alternative option may apply.
